The Anti-Bullying Alliance defines bullying as: “the repetitive, intentional hurting of one person or group by another person or group, where the relationship involves an imbalance of power.”

Aim:

The aim of the anti-bullying policy is to ensure that pupils are able to learn in a safe, supportive and caring environment without fear of being bullied.

Bullying is anti-social behaviour and affects everyone; it is unacceptable and will not be tolerated. Only when all issues of bullying are addressed will pupils be able to fully benefit from the opportunities available at schools.

Policy Statement:

The purpose of this policy statement is to:

- prevent bullying from happening between children who are part of Ogbourne C of E Primary School
- to make sure bullying is stopped as soon as possible if it does happen and that those involved receive the support they need
- to provide information to all staff, volunteers, children and their families about what we should all do to prevent and deal with bullying

We believe that:

- children and young people should never experience abuse of any kind
- we have a responsibility to promote the welfare of all children and young people, to keep them safe and to practise in a way that protects them

We recognise that:

- bullying causes real distress. It can affect a person's health and development and, at the extreme, can cause significant harm
- all children, regardless of age, disability, gender reassignment, race, religion or belief, sex or sexual orientation, have the right to equal protection from all types of harm or abuse
- everyone has a role to play in preventing all forms of bullying (including online) and putting a stop to bullying
- that bullying is closely related to how we respect and recognise the value of diversity

This policy statement applies to anyone working on behalf of Ogbourne C of E Primary School, including senior managers and the governing body, paid staff, volunteers, agency staff and pupils.

What is bullying?

Bullying is defined as deliberately hurtful behaviour, repeated over a period of time, where it is difficult for those being bullied to defend themselves. There are five main types of bullying:

- Physical (hitting, kicking, theft, spitting)
- Verbal (name calling, racist or homophobic remarks)
- Indirect (spreading rumours, excluding someone from social groups)
- Emotional (exclusion from social groups, damaging or interfering with the property of others)
- Cyberbullying (on-line abuse)
 - excluding a child from online games, activities or friendship groups
 - sending threatening, upsetting or abusive messages
 - creating and sharing embarrassing or malicious images or videos
 - 'trolling' – sending menacing or upsetting messages on social networks, chat

- rooms or online games
- voting against someone in an abusive poll
- setting up hate sites or groups about a particular child
- encouraging young people to self-harm
- creating fake account, hijacking or stealing online identities to embarrass a young person or cause trouble using their name.

Signs of bullying

Pupils who are being bullied may show changes in behaviour such as:

- Taking unusual absences
- Becoming shy or nervous
- Feigning illness
- Clinging to adults
- Changing work patterns
- Lapsing in concentration
- Truantiing from school
- Emotional outbursts

Children must be encouraged to report bullying in school.

The children of the school have produced their own posters to promote how to 'Reach Out' if they are experiencing bullying or aware of this taking place to someone else. This is in accordance with the Anti-bullying Alliance theme for the year. All work in anti-bullying week reflects the theme.
